

▲ **Alamo spot on — £16.99.**
A 100 per cent natural spot-on repellent for fleas, ticks, mosquitoes, and sandflies. The main active ingredient is geraniol, a natural antioxidant which clinical studies have shown to be effective against fleas and ticks. It is supplemented with lavender, which has anti-microbial properties.
Where to buy: Amazon and selected retail stores.

▲ **Can toys — £7.99 to £13.99.**
A fun chew toy made from 100 per cent natural rubber. Each toy has a treat dispenser — perfect for stuffing with treats. There are three sizes to choose from: medium (purple), large (green), and extra large (orange).
Where to buy: Pet shops; to find your local pet shop visit www.itsapetthing.co.uk

◀ **Natural grooming products — £4.75 to £11.95.**
A range of products using 100 per cent natural ingredients, including Aromatic Dog Spray Floral, which has calming and balancing properties, and Aromatic Dog Spray Citrus, which has insect-repelling properties (both of which can be used on the dog's coat after a bath or walk, or between bathing); Comfort Blend, which can be used for dogs with separation anxiety or home sickness; and Paw Butter, which soothes and moisturises paws.
Where to buy: Vita Canis dog grooming and training centre; visit www.vitacanis.co.uk

What's NEW?

Spotlighting the latest pet and dog-themed products on the market.

▶ **Growling Tums — From £25.99.**
